## Jack's Tumbling 'Solar' Composters

### Why use Jack's Solar Composter?

- Attached stand makes turning your compost easy. No shovel or pitchfork needed.
- Turning the compost increases the oxygen throughout and speeds composting.
- Screw top makes adding compost, taking compost out, or cleaning easy.
- Made of recycled food grade plastic barrels.
- Recycle your kitchen and yard waste in only minutes.
- Made in Vermont.

BCCD Price: \$80

Colors: Terra Cotta or Black

**Earthtenders Compost** Grass clippings and leaves with a touch of horse, cow, chicken, goat manure and occasionally food waste. NH product! Portion of cost supports conservation activities. 45 lb bag

BCCD Price: \$ 8 per bag
